ABOUT QT LIGHTING

Architectural Linear Lighting Manufacturer Since 2008

QT Lighting is a professional manufacturer specializing in architectural linear lighting systems. Since 2008, we have focused on developing innovative lighting solutions for commercial, office and architectural spaces worldwide.

From standard products to custom projects, we provide OEM and ODM services for global partners with reliable quality, flexible solutions and professional support.

01 FACTORY SINCE 2008

15+ years of manufacturing experience in architectural linear lighting.

02 OEM / ODM SERVICE

Flexible customization for products, packaging and branding.

03 CUSTOM GEOMETRY

Professional bending and shape design capability.

04 CONTINUOUS CONNECTION

Modular connection system for continuous light without dark area.

05 ACOUSTIC SOLUTIONS

Integrated acoustic materials for better sound environment.

LIGHTING COLLECTIONS

Five Specialized
Lighting Systems
For Modern
Architecture

ARCHITECTURAL

Designed for modern
architectural spaces.

PROFESSIONAL

High performance systems
for commercial projects.

CUSTOMIZABLE

Flexible solutions with
OEM / ODM capability.

RELIABLE

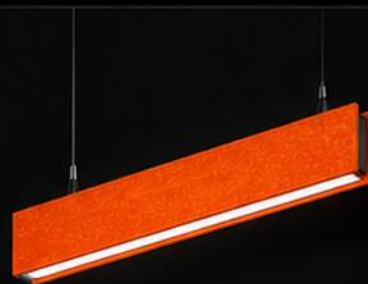

Factory Since 2008
Quality You Can Trust.

One Factory.
Five Product Families.
Unlimited
Lighting Possibilities.

Solutions

ORANGE LUMEN

High Efficiency Linear Lighting

Orange Lumen series delivers high efficacy and uniform illumination for a wide range of commercial and architectural applications.

HIGH EFFICACY
Up to 140 lm/W

UNIFORM LIGHT
Comfortable & Even

MULTIPLE LENGTHS
1M / 1.2M / 1.5M

MULTIPLE FINISHES
Orange / Black / White
Silver / Champagne

OEM / ODM
Custom Solutions
Available

SPECIFICATIONS

Model	Orange Lumen
Power	36W
Lumen	140 lumen / Meter
CCT	3000K 4000K 6500K
CRI	90
Finish	Orange / Black / White Silver / Champagne
Installation	Suspended
Application	Office / Commercial Retail / Education Hospitality

WHITE UGR-B

Slim Minimal Linear Lighting

White UGR-B series offers a slim and minimal design with micro prism diffuser for low glare and uniform illumination. Ideal for offices, meeting rooms and other commercial spaces.

LOW GLARE
UGR < 19 for
visual comfort

MICRO PRISM DIFFUSER
Optical design for
uniform soft light

SLIM & MINIMAL
Ultra slim profile with
architectural look

MULTIPLE FINISHES
Black / White

SUSPENDED INSTALLATION
Simple and flexible

Model	Power	CCT	CRI	Length	Finish	Installation
QT-UGR-B	20W	3000K	Ra>90	1000mm	Black White	Suspended
	30W	4000K		1200mm		
	40W	6500K		1500mm		

WHITE UGR-C

Low Glare Linear Lighting

White UGR-C series provides excellent glare control and visual comfort. The micro prism diffuser delivers uniform and soft light, perfect for offices, schools and commercial spaces.

LOW GLARE

UGR < 19 for visual comfort.

- After-sales Support

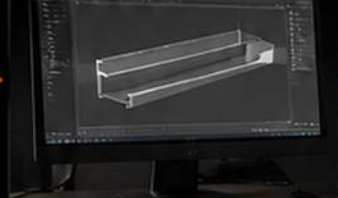

OUR 4-STEP PROCESS

01 IDEA

Share your ideas and project
requirements with us.

02 DESIGN

Our team provides professional
design and technical solutions.

03 PROTOTYPE

We build prototypes for approval
and make adjustments.

04 PRODUCTION

Bulk production with strict quality
control and on-time delivery.

GLOBAL DELIVERY
Reliable logistics
worldwide.

QUALITY ASSURANCE
Strict QC system
from start to finish.

EXPERIENCED TEAM
Professional team with
15+ years of expertise.

LONG-TERM PARTNERSHIP
We grow together
with our partners.
